## Consent Agreement

- I am over 18 years of age.
- I have read the Participant Information Sheet or someone has read it to me in a language that I understand.
- I have had a chance to discuss my participation with family or friends.
- I understand the purposes, procedures and risks of the research described in the project.
- I consent to receiving the survey link via email.
- I have had an opportunity to ask questions and I am satisfied with the answers I have received.
- I understand that my involvement in this research study may not be of any direct benefit to me.
- I understand that my participation in this study is confidential and that no material, which could identify me personally, will be used in any reports on this study.
- I freely agree to participate in this research project as described and understand that I am free to withdraw at any time during the project without affecting my future health care.
- I understand that I will be given a signed copy of this document to keep.
